## Occupational Health Occupational Hygiene 2 Certificate Programs

Post-graduate level  
100% internet-based  
Instructor-engaged  
OHTA Approved

September 5, 2017 – June 4, 2018

**SCHOOL OF  
PUBLIC HEALTH**

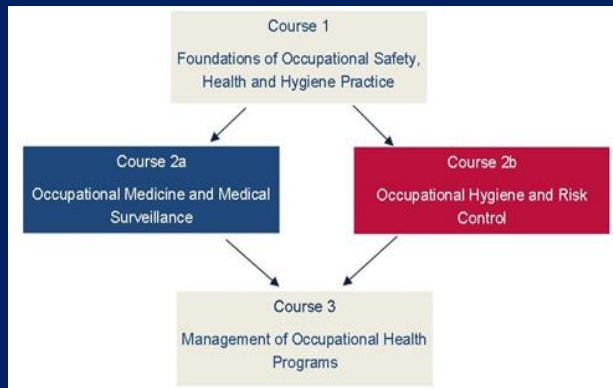

A World Health Organization  
Collaborating Centre in  
Occupational Health

**OH learning.com**  
APPROVED TRAINING PROVIDER

## Goal

To enhance competence in Occupational Medicine and Occupational Hygiene, globally

## Courses and Tracks

### Occupational Health Track

[Courses 1, 2A, & 3]

for **physicians and nurses** who manage occupational health of workers

### Occupational Hygiene Track

[Courses 1, 2B, & 3]

for **managers and supervisors** who oversee hygiene and safety

We have worked with

- Multinational corporations
- Ministries of health
- NGOs that touch occupational health and workforce development

## Certification

A **Certificate of Completion** will be awarded for each, individual course.

After completing 3 courses, participants will be awarded the **Global Certificate in Occupational Health/Hygiene Practice**.

Certificates come from the School of Public Health at the University of Illinois in Chicago USA

"The two courses I attended (2A and 3) were very well structured and particularly, the many course assignments have to be answered using the action learning methodology. It has really been an insightful experience for me and this has greatly improved my work in many ways."

-Comfort Mawuse Kugblenu  
Ghana Health Service Accra, Ghana

## Occupational Health Practice Additional Certifications

Participants in medical professions may also receive 100 hours of **Continuing Medical Education credit (CME)** from **the American Medical Association (AMA PRA Category 1 Credit(s) TM)** for the successful completion of Course 2, Occupational Medicine and Medical Surveillance.

## Occupational Hygiene Practice Additional Certifications

Participants may receive credit toward the **International Occupational Hygiene Certificate-Intermediate Level** of the **Occupational Hygiene Training Association**. GPOHP is an authorized training provider of the OHTA curriculum and the only online provider.

## FAQs, Answered

- We are now in Year 9 of the Program
- We have had 120 students in over 80 countries
- Each course is 10 weeks, with about 10 hours of work each week
- No textbooks needed, as readings and slides are provided
- 3 assignments per module are conducted in your workplace, with feedback provided from experienced faculty
